

Introduction

SheWings is a social enterprise with a focused mission: empowering women through awareness of health, education, financial independence, and sustainability. We have reached 3 million marginalized women across the country, thanks to the invaluable support of governments, leaders, organizations, and individuals who believe in our cause.

We organize camps and workshops in slums and rural areas, utilizing educational videos, interactive games, and impactful street plays to disseminate crucial information. Even during the challenging times of the COVID-19 pandemic, our dedicated team of SheWings Saviour Room alumni from esteemed institutions such as IITs, IIMs, and AIIMS Delhi, worked tirelessly to save thousands of lives nationwide.

Our campaigns, including [#YesIBleed](#), [#DonateOldBraPanty](#), [#RedDotCampaign](#), and [#FeedtheFuture](#), have gained significant traction and success, reaching women across the country. Moreover, we take pride in hosting influential events like the Women Leadership Summit, where we had the privilege of welcoming esteemed personalities such as Ms. Deepa Malik, Honorable Governor Anandiben Patel of Uttar Pradesh, and Dr. Kiran Bedi, Former LG of Puducherry.

We celebrated Menstrual Hygiene Day in collaboration with the National Commission of Women. This event fostered insightful discussions and was inaugurated by MsMeenakshi Negi, Member Secretary of NCW and Yashoda Hospital's Managing Director Ms UpasanaArora, along with the presence of other notable dignitaries. Most recently, SheWings Foundation and DudhwaTiger Reserve organized a program called 'Meri Life' wherein advanced line employees of DudhwaTiger Reserve were provided with environmentally friendly sanitary pads and safety products for the health security of their families.

Menstrual Hygiene Day with the National Commission for Women

SheWings celebrated Menstrual Hygiene Day in association with the National Commission for Women (NCW) on 26th May, 2023. The event, held at the NCW Auditorium in Jasola, Delhi, featured panel discussions and sessions focused on raising awareness about menstrual hygiene and empowering women. Notable attendees included NCW's Member Secretary Ms. Meenakshi Negi, Yashoda Hospitals MD Upasana Arora, and SP Bikaner IPS Tejaswani Gautam.

National Bird Day

In celebration of National Bird Day, the UP State Biodiversity Board, in association with SHEwings Foundation, organized a remarkable event at the Galla Bird Sanctuary on January 4, 2025. The event saw active participation from over 40 students of Amity University, who gathered to raise awareness about bird conservation and environmental sustainability. The day began with a special session on Nest Making led by renowned Sparrow Conservationist, Shikha Shukla. Shikha's informative session educated participants on the importance of creating safe spaces for birds to nest, helping protect

स्वच्छ जल, स्वस्थ कल : गौतम बुद्ध नगर के स्कूलों में BPCL और SheWings ने दी शुद्ध पेयजल की सौगात

भारत के बच्चों के स्वास्थ्य और भविष्य को सुरक्षित बनाने की दिशा में एक महत्वपूर्ण कदम उठाते हुए, भारत पेट्रोलियम कॉर्पोरेशन लिमिटेड (BPCL) ने SheWings Foundation के साथ मिलकर गौतम बुद्ध नगर जिले के 35 सरकारी स्कूलों में जल शुद्धिकरण प्रणाली स्थापित करने की पहल की है।

SheWings Covid Saviour Room

SheWings has set up the SheWings Saviour Room which has been working relentlessly to reduce panic during this time of crisis. SheWings has been working 24/7 with SheWings Saviour Room. We have successfully managed to help out people through all the possible platforms.

Students from IIT Roorkee, IIT Kharagpur, AIIMS are part of this saviour room. The idea is to provide necessary help by facilitating the availability of resources such as oxygen cylinders, medicines, information regarding availability of ventilators and beds.

Started operating on 22 March 2021, our team has so far arranged ventilators and beds for 328 patients, more than 2,000 oxygen cylinders, food and medicine for patients.
